## WELCOME TO THE 2018 MENDOCINO COUNTY CRAB, WINE & BEER FESTIVAL

Join us for the **19th annual Crab, Wine & Beer Festival!** Our county is home to an abundance of people who live in concert with the rhythms of nature. High on the list of these hardy folk are our fishermen, grape growers, winemakers and brew masters. Each in their own way plays with the subtleties of the seasons to use the bounty of their particular endeavors for their livelihood and also for the enjoyment of others. This 10-day countywide Crab, Wine & Beer Festival is a celebration of their efforts! It takes place in the middle of the long winter season, a time when the demands of our daily lives are a bit slower, allowing us an opportunity to partake in fine seafood, wine and beer while enjoying the cool weather and short days, along with good company.

We've put this booklet together to showcase events taking place throughout the county during the festival and as you'll see, there truly IS something for everyone. We have family-style cioppino and crab feeds, gourmet winemaker dinners, wine and crab pairings, beer tasting, outdoor adventures, lodging specials, arts and performances, and more. The highlight of the festival is the Crab Cake Cook-off & Wine Competition, a fundraiser for Mendocino Coast Clinics. This hugely popular event sells out every year, so get your tickets early!

We, at Visit Mendocino County, speak for everyone listed in this booklet when we say, "Looking forward to seeing you in January"!
